

## Dear benefactors,

We all pray for the safety of our Benefactors and friends who have been affected by Russia - Ukraine war. We are truly grateful for all your contribution and support despite the crisis and we would like to update you with the highlights of the past 3 months.

## SUSTAINABLE FUTURE

### CPDC new solar system

25kW solar system on the roof top of basketball court

HHNFT Thailand would like to express its deepest gratitude to LAURENS GROEP by Mr. Peter Sips for kind donation of 25kW Solar System to enable CPDC to become one step closer to sustainability and energy sufficiency.

### Happy Healthy Non-chemical

Locals purchase organic products from CPDC farm

CPDC has launched its official brand "Happy Healthy Non-chemical" or HHN brand to start selling its organic products to locals and equip children with small business knowledge.

## Musical opportunities for children

LC music studio sponsored by Singha Musigapong Foundation

มูลนิธิ สิงห์ มุสิกพงศ์  
เพื่อการดนตรี

HHNFT would like to express its gratitude to Singha Musikapong Foundation for kind donation to purchase additional music equipment for HHN Learning Center's music studio to expand further musical opportunities for children and students in Pattaya. Since 2021, the studio has welcomed hundreds of young and talented musician, free of charge.

## THE VISITS

### Australian benefactor

Monsignor Brian Rayner of Asia Pacific Foundation, Australia

HHNFT gave a warm welcome to Monsignor Brian Rayner, retired pastor from Sydney, Australia on February 24<sup>th</sup>.

## CPDC community learning center

Students from nearby school enjoy learning organic farming

Since early 2023, CPDC has officially turned its farm into a Community Learning Center providing opportunities for students and locals who are interested in sustainable farming to visit the organic farm and Aquaponics system.

## Eye-opening experiences

Migrant children take field trips based on what they learn

Migrant children enjoyed once in a lifetime field trips to places such as Bangsaen Aquarium, Baan Tuek Textiles and Space Inspirium as parts of Project Base Learning (PBL) program.

## Thai education diploma for migrants

The 2-year program will enable migrants to receive the Thai diploma

On March 4<sup>th</sup>, migrant students of AEC Non-Formal Education program took their primary level exam as required by Thai Ministry of Education at Pattaya City 3. The first pioneer group of 35 students are expected to graduate and receive Thai education diploma next year.

## THE EVENTS

### Diplomatic Red Cross

Variety of decoupage by children at Diplomatic Red Cross

HHNFT decoupage products were included into Kazakstan Embassy booth at the Diplomatic Red Cross Bazaar. The one-day-sales event received great welcome from the public with over 50,000 THB revenue to support children education fund.
